Dear Johann,

AFAC – AUSTRALASIAN CONTACT - GWFN

In reference to your discussions in March 2003 with Mr Murray Dudfield and the subsequent request made by the Global Wildland Fire Network (GWFN) for the Australasian Fire Authorities Council (AFAC) to become a Member of the Global Wildland Fire Network.

I wish to inform you that the Australasian Fire Authorities Council, at the October 2004 Annual General Meeting, endorsed AFAC's membership and listing as the Australasian contact and an Australasian component of the Global web page.

We look forward to contributing to the important work of the Global Wildland Fire Network

Yours sincerely,

LEN FOSTER
