

## INTERMEDIATE AND ADVANCED INCIDENT COMMAND SYSTEM

### OBTAIN AN INTERNATIONAL INCIDENT MANAGEMENT QUALIFICATION

This unique training opportunity, hosted by the Working on Fire Programme is presented by an International Team of highly qualified Incident Managers. Modern training techniques and practical exercises empower course candidates to fill a position within an Incident Management Team and to gain competence in the utilization of the ICS for incidents such as veld and forest fires, structural fires, informal settlement fires and natural disasters. The course is presented in a rural setting that will simulate conditions on a typical Incident Management Camp

#### **Course contents include:**

- Organization and Staffing
- Incident Resource Management
- Incident Planning
- Major Incident Management
- Air Operations
- Ground operations
- Practical exercises and simulations

**VENUE:** WITSIESHOEK MOUNTAIN RESORT, FREE STATE.

**DATE:** 5 MARCH 2007 to 14 MARCH 2007. **COURSE DURATION:** 8 days

**COURSE FEES:** R9700

**MEALS AND ACCOMMODATION:** R3630 (for 11 nights including weekend of 10 and 11 March)

Please complete the application form below and forward to [alex@environet.co.za](mailto:alex@environet.co.za)

**Closing date: 12 January 2007.**

For more details on this course, the accommodation and other activities please contact: Fred. Favard; email: [alex@environet.co.za](mailto:alex@environet.co.za)
