

INTERNATIONAL WILDFIRE CONFERENCE, GERMANY

02-03 October, 2023

AGENDA

Conference venue and hotel: Hotel Vienna House, Landsberg am Lech, Bavaria, Germany

Address: Graf-Zeppelin-Straße 6, 86899 Landsberg am Lech, Bavaria, Germany

Phone: +49 819 192 900

ARRIVAL DAY | 01 OCT, 2023

	Check-in for attendees arriving on October 1st.
21:00	Icebreaker at the hotel bar

CONFERENCE DAY 1 | 02 OCT, 2023

7:00-8:30	Hotel check-in or Breakfast at the Hotel for attendees who checked in the day before
8:45-9:15	Registration
9:15-9:30	Welcome and Conference Outline
9:30-9:45	Sandro Kirchner , State Secretary, Government, the Bavarian State Ministry of the Interior, Germany Bavaria - A Leading Hub for Innovation and Climate Mitigation
9:45-10:15	Emma Gatti , a former NASA Scientist, Space Analyst, Broadcaster and Science Writer, Germany Keynote Presentation
10:15-10:45	Joseph Lake , Program Director of the International Wildfire Risk Mitigation Consortium, USA Accelerating Industry Response to Climate Change and Wildfire Risk Mitigation Through Facilitated Sharing and Collaboration
10:45-11:00	Matthias Ott , Head of Department, Free State of Bavaria Bridging the Gap: Advancing Wildfire Management for Bavaria's Future
11:00-11:15	Coffee Break

11:15-11:45	<p>Matthieu Payette, Air Operations Coordinator, SOPFEU, Canada</p> <p>From Ashes to Action: Learnings from the 2023 Wildfires in Quebec & Canada</p>
11:45-12:15	<p>Prof. Dr. Johann Georg Goldammer, Director, Global Fire Monitoring Center (GFMC), Fire Ecology Research Group, Germany</p> <p>Climate Collapse and Landscape Fires – Towards the Development of a Global Compact</p>
12:15-13:00	<p>Dimitris Bliziotis, Scientific Officer-Earth Observation, Hellenic Space Center, Greece & Ioannis Papoutsis, Assistant Professor, National Technical University of Athens & Adjunct Researcher, National Observatory of Athens, Greece</p> <p>Fires from Above: Space-Based Fire Management in Greece</p>
13:00-13:45	Lunch Break
13:45-14:15	<p>Ashlin Richardson, Senior Data Scientist, BC Wildfire Service, Predictive Services Unit, Canada</p> <p>Operational Wildfire Mapping in British Columbia with Sentinel-2, Landsat & PRISMA</p>
14:15-15:00	<p>Camilo Pabon, Customer Success Manager, OroraTech, Germany</p> <p>Wildfire Solution Pro - From Vision to Mission</p>
15:00-15.10	Closing Words Day 1 (OroraTech)
15:30-16:30	Bus transfer to Munich Oktoberfest
17:00-23:00	Oktoberfest / VIP Tables for 60 persons (Beer, Dinner & party)
00:00-01:00	Bus transfer to Hotel Vienna House Landsberg

CONFERENCE DAY 2 | 03 OCT, 2023

9:00-10:00	Late Breakfast at the Hotel
10:00-10:15	Welcome and Second Day Outline (OroraTech)
10:15-10:45	<p>Dr. Dirk Schneider, State Fire Chief, Saxon State Ministry of the Interior, Germany</p> <p>Early Recognition of Fires in Woodland and Vegetation Areas</p>

10:45-11:15	Alexander Held , Senior Expert, European Forest Institute (EFI), Germany Creating More Resilient Landscapes and Better-Informed Fire Management
11:15-11:45	Julia Gottfriedsen , Data Science Lead, OroraTech, Germany Fire Spread Modelling: Make Better Choices by Setting Priorities and Planning Action
11:45-12:00	Adrian Sauer , Scientific Researcher and LCA Expert, Fraunhofer Institut, Germany Evolonic - A Drone-Based Approach for Wildfire Detection
12:00-12:45	Lunch break
12:45-13:15	Douglas Guedes de Oliveira , Head of Security, Ports and Forests, Suzano, Brazil Navigating Wildland Fire Management Across 2.7 Million Hectares in Brazil: Challenges and Opportunities
13:15-13:45	Lindon Pronto , Senior Expert, European Forest Institute (EFI), Germany Costs and Investment of Holistic Fire Management, Including Fire Intelligence Cost
13:45-14:15	Jorge Faundez , Head of Forest Fire Analysis and Prediction Section - CONAF, Chile The Role of The Wildfire Analyst in Chile and the Experience of the Latest Wildfire Extreme Event
14:15-14:45	Dr. Doris Klein , Scientific Advisor, German Aerospace Center (DLR), Germany Remote Sensing for Burnt Area Assessment and Fire Management
14:45-15:15	Coffee Break
15:15-15:45	Diego Vazquez de Prada de La Hoz , Engineer of the Forest Fire Service, General Directorate in Natural Heritage and Forestry Policy, Castilla y León, Spain Lessons Learned in Coordination between Different Organizations in Megafires in Castilla y León, Spain
15:45-16:45	Panel discussion
16:45	Closing Words
18:30-20:00	Optional guided historical tour through old town of Landsberg, meeting in the city with our guide Ms Urte Ehlers
20:00-22:00	Bavarian Dinner in the old town of Landsberg at mohren-landsberg.de
