March 25, 2019

Kyiv, NULES of Ukraine

On March 25th, 2019 President of Ukraine Mr. Petro Poroshenko visited the National University of Life and Environmental Sciences of Ukraine. The leader met University's leadership, teaching staff and students and among others familiarized with REEFMC exposition devoted to main areas of center activity – wildfires in the Chernobyl Exclusion Zone, their social and ecological consequences, forest fires monitoring in the zone of Joint Forces Operation and the problem of agricultural fires in Ukraine.
